In the Royal States of America, magic rules all, but lifeâ€™ and loveâ€™ always finds a way.

Born without magic, Mackenzie Little has few prospects. In a futile attempt to break her out of the null caste, her mother ropes her into participating in a charity auction, where anything can be bought with enough money.

She never expected her ex-boss, Dylan Mason, an elite with a love of driving her crazy, would buy her company. For a day, sheâ€™s happy to live a fairy tale.

Nine months later, despite all their precautions, Mackenzieâ€™s little miracle is born.

Armed only with Texas pride and New York viciousness, Mackenzie fights through hell or high water to protect her tiny family of two from a society obsessed with magic.

The last thing she needs is to land in the middle of a mess doomed to make her, a null, the grand prize of a battle between royals.
