"A glitzy romp!" - Kirkus Reviews

In the idyllic Atlanta enclave of Sugar Mills, four women are struggling to keep their marriages alive in the hectic whirl of middle-class suburbia.

Adventurous Jess adores her sportswriter husband, but he's more likely to fall asleep than respond to her creative attempts at seduction. Delia agreed to an open marriage when she had nothing to lose; but now that the reality of her choice has settled in, she feels a void no direct sales commission can fill. Infertility has left ex-tennis star Carras feeling powerless and frustrated. PTA president Maizy is desperate for acceptance in the Sugar Mills community, and with her health-conscious husband.

Enter Parker, a gorgeous young tennis pro moonlighting as a male escort. Could a little well-orchestrated jealousy cure the marital blues? Will a risky scheme put the spark back in their suburban marriages, or burn everything they've worked for to the ground?

Playful women's fiction with relationships at its core, SUGAR STREET is a story about marriage, friendship and the wild hopes that lie beneath quiet desperation.

"[Pullen] systematically dismantles the contentment of her very comfortable characters while also keeping the story bouncing with zippy, involving dialogue and a fine sense of dramatic pacing. A glitzy romp that features suburban wives making unconventional and haphazardly disastrous attempts to break out of the safe patterns of their lives."
